

REMEMBERING & HELPING OTHERS

Kilimanjaro 2018

In Aid of 2018 Poppy Appeal & MCF

On September 7th 2018 (12th Anniversary of my Dad's passing) I will be travelling to Tanzania and attempting to scale the World's 10th highest peak ~ Kilimanjaro, the "Roof of Africa", in aid of two charities.

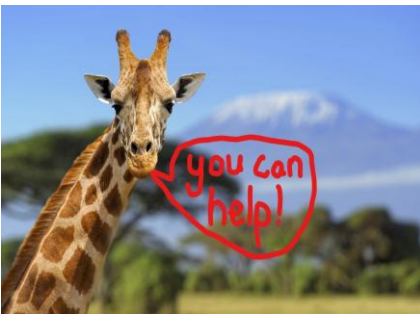

I am totally self-funding, so ALL of your donation will go to charity, split evenly between my chosen two:-

The 2018 Poppy Appeal, in remembrance of all those that gave so much for their liberty, country and us that followed, and remembering especially the 100th Anniversary of the end of WW1.

The MCF, for all the wonderful causes they support Nationally, Internationally and those less fortunate or in need.

I would be most grateful for your support by donation on-line. The charities will benefit by a further 25% of your donation if you are a UK tax-payer and complete the "Gift-Aid" declaration.

Every little helps, no matter how small, so don't feel obliged to give more than you are comfortable with 😊
